TO WHOM IT MAY CONCERN:

This is to certify that I have known Gene Hiner for the past three years and he has been employed by the Village of Garden City during that time. I would not hesitate to recommend him to any Law Enforcement Agency needing an officer. He is quick to learn, reliable, honest and sincere in his efforts. He does not question the orders of his superiors but does the job sent out to do to the best of his ability. Gene is my idea of a good officer and had I a place for him at this time he would be on my payroll.

Chief of Police.

New Police Officer Named for Meridian

At a special meeting of Meridian City Council Tuesday, the resignation of Melvin Ewing, who has been acting as officer in the local police force the past seven weeks, was accepted, and Gene Hiner was appointed to fill the vacancy. His appointment was effective as of August 1. Mr. Ewing has accepted a position in Montana.

Officer Hiner comes highly recommended by Chief Dicus of Garden City, where Mr. Hiner worked as police officer. He has also been connected with and worked as Ada County deputy sheriff.

MEN ARRESTED

Two Mountain Home Air Base airmen were arrested in Meridian on charges of petty larceny in the theft of a case of beer from a delivery truck in Garden City this week. They were Robert R. Nicks and James F. Bolen. They pleaded guilty to the charges before Justice of the Peace J. M. Lampert, and were each sentenced to 29 days in jail and fined \$50. The jail terms were suspended.

Burglars Enter Meridian Store

MERIDIAN — Police Chief Steve McGill said Thursday his office is investigating a burglary at the Meridian Cigar store early Thursday in which some small change and various items were taken. Entry was made by breaking the front door glass and reaching the latch inside. Patrolman Gene Hiner discovered the break-in.

Probation Granted Boisean Accused Of Petty Larceny

Probation for 90 days was granted Monday by Justice of the Peace J. M. Lampert for Donald Boylan, 20, Boise, charged with petty larceny in connection with the theft of a sun visor holder from a wrecking yard in Garden City.

The Ada county prosecuting attorney's office said Boylan was caught Saturday night near Abbott's Auto Wrecking yard by Gene Hiner, Garden City police officer.

Two Airmen Fined By Judge Lampert For Petty Larceny

Two Mountain Home Air Force base airmen were fined \$50 and costs each Monday in addition to being given 29-day suspended jail sentences when they pleaded guilty to charges of petty larceny before Justice of the Peace J. M. Lampert.

Police said James F. Bolen, 19, and Robert Nicks, 22, were charged in connection with the theft of a case of beer from a truck parked near the Hi-Ho club in Garden City Saturday night.

Pair Sought In Attempted Boise Attack

Ada county sheriff's officers said today they are searching for two men who reportedly attempted to physically attack a young Boise woman, later threatening her life if she told.

The report, officers said, was made by Miss Loretta Jackson Allen, 22, of 1722 North Eighth street, who told them she was forced into an automobile at 8:30 p.m. Thursday on South Sixteenth street by the men who released her 15 or 20 minutes later in the 100 block of North Orchard street after "roughing her up."

Burglars Enter Davis Grocery

A Sunday night break-in of the Davis grocery netted the intruders only three or four dollars in change and two cases of motor oil.

The burglary was discovered about midnight Sunday by Gene Hiner, Meridian policeman. Police Chief Steve McGill said entry had been gained by breaking a window at the rear of the store.

A few minutes later, Patrolman Hiner discovered that an attempted entry had been made at the Meridian Cigar store. A knob had been broken off and other damage done to a rear door, but the would-be thief or thieves had been frightened off before gaining entrance.

Police Arrest Man Who Admits Burglary

A Glens Ferry man, arrested in Garden City on charges of carrying a concealed weapon was turned over to Ada County authorities after he admitted the burglary of the Trolley lunch stand on Rose Hill, Police Chief Ted Dicus said.

In custody is Edward Lee Duncan, 23. He is being questioned for possible implication in other recent burglaries in this area.

Chief Dicus said Duncan and another man, Ray Lloyd Collins, 23, also of Glens Ferry were arrested last Tuesday night. He said that a waitress at the Chinese Lantern called police after she observed that one man was holding a gun on the other under the table. When police officers investigated, they found that not one but two guns were involved.

Collins pleaded guilty in Garden City police court to a charge of carrying a concealed weapon. He was fined \$25 by Police Judge Irene Walters. Duncan is awaiting a preliminary hearing.

Two Meridian Youths Caught For Thefts

MERIDIAN — Two Meridian brothers, 12 and 15 years of age, were turned over Friday to probate court in Boise on charges of burglarizing a cafe at the Meridian Sales yard Thursday night, Police Chief Steve McGill said.

Officer Gene Hiner apprehended the two boys who had gone through a window to gain entry.

They also admitted other thefts from garages and cars in the area, Chief McGill said.

The 15-year-old has been on parole to Chief McGill for an earlier theft, the police officer said.

Meridian police also have turned over to probate court three other boys between the ages of 14 and 18 who have been charged with theft, Chief McGill said.

He said the boys were arrested at the Jack Thorne farm near here after allegedly stealing some gasoline. Other cases of similar thefts have been reported by area farmers during recent weeks, police added.

Victim Is Located By His Mother Following Search

MERIDIAN (Special) — A two-year-old Meridian boy was drowned yesterday afternoon when he fell into a small, but fast flowing irrigation ditch less than a block from his home.

The youngster, Billy Gober, son of Mr. and Mrs. Wayne Gober of 237 East State street, wandered away from home while playing with a group of neighborhood children and fell into the ditch, according to Gene Hiner, assistant police chief at Meridian.

Hiner said the boy was found by his mother about 20 minutes after a search had been started. The boy apparently fell into the ditch on one side of State street and was carried through a culvert under the street before being stopped by a head gate at the opposite side, Hiner reported. The ditch was described as about three feet wide and one and one-half to two feet deep, but running full of water.

The Gober youngster was taken immediately to Meridian City hall where a resuscitator was applied and medical treatment was administered, but the rescue attempts failed, Hiner said.

The boy is survived, in addition to his parents, by a sister, Virginia, and his grandparents, Mr. and Mrs. E. U. DuBois of Boise and Mr. and Mrs. Elmer Gober of Klamath Falls, Ore.

Services will be conducted at 2 p.m. tomorrow in the Robinson chapel with the Rev. A. M. Thomas officiating. Interment will be at Meridian.

Moon's FIFTH QUARTER

(Our Two-Bits' Worth)

Garden City police, and especially Officer Gene Hiner, deserve a lot of credit for their handling of a case this week. Officer Hiner made what he thought was a routine arrest on a drunk charge, and came up with a man who admitted one Boise burglary and is now being questioned regarding several others.

Officer Hiner was called to the Chinese Lantern when a waitress noticed one man holding a gun under the table an another. The police officer had previously checked the cafe and told employees to notify him if there was any disorderly conduct, so he thought, when he went into the place, that he had been called to make an arrest on a drunk charge. He quietly and efficiently removed one of the men from the restaurant, took him to the police station and booked him.

When he went back to the restaurant to clean up the details of the case, the waitress told him about the gun. That was the first he knew about it. He went to the home of the other man involved, and asked for it. The wrong one was produced. One thing led to another, and by the time the evening was over, Officer Hiner had two guns and the other man in custody. Both of the men were then charged with carrying concealed weapons.

The next morning, police detectives and a deputy sheriff arrived on the scene, and under their questioning, the first man arrested admitted burglarizing a Boise lunch counter.

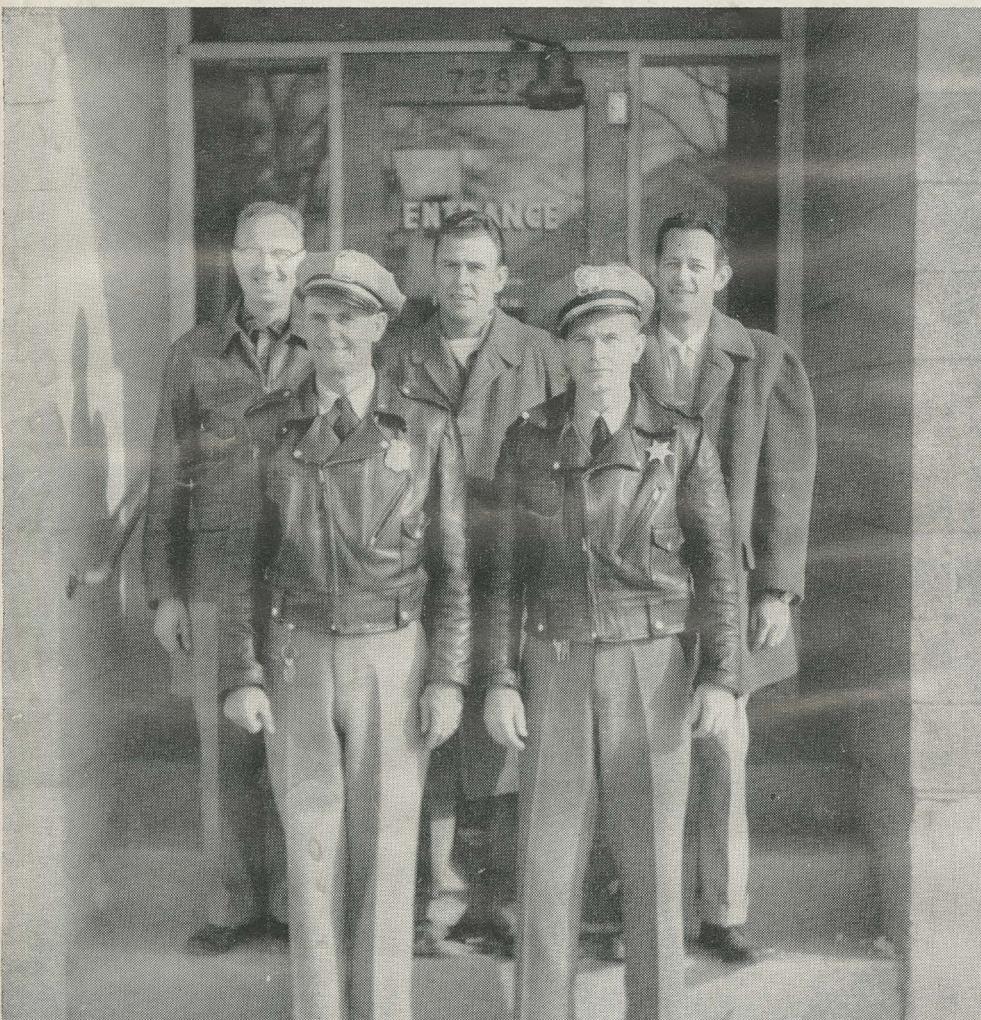

The whole handling of the case was an example of excellent police work. As is usual when a policeman answers a call, Officer Hiner didn't know what he was getting into. But he didn't let the matter drop with a drunk arrest, and his continuing investigation produced not only evidence of a more serious charge but a confession which cleared up another crime. His actions bring great credit not only to

himself but to the entire police department.

Training Session For Area Police Held in Nyssa

By Robert W. (Bob) Love
Nyssa Police Chief

Nyssa police department was sponsor of the Police Training and Educational association's regular monthly session Tuesday, Feb. 14. Officers from law enforcement agencies throughout Treasure Valley were on hand for a full day of classes covering police procedure and techniques.

Instructors for the school were Nyssa's Chief of Police Bob Love, who presented a film from the FBI library dealing with duties of the foot patrolman. Love also outlined techniques involved in reporting evidence in crime and accident scenes.

Chief Bill Holland, Emmett police department, spoke on the subject of evidence and also discussed with the group new ideas in publishing a Merchants Crime bulletin. Holland also gave an informative demonstration on use of an iodine cabinet for the purpose of revealing latent prints on paper.

Discusses Police Photography

Guest instructor for the day-long course was Ernie Cole, photographic and identification officer for the Boise police department. Officer Cole showed photographs of the various types of scenes that should be procured in accident and criminal investigation. He discussed the finer points of photography in relation to its use as evidence in a court of law.

PTEA is in its infancy stage at this time—Nyssa being the second meeting of the organization. The association was originated by Chief Holland in Emmett in November and meetings have not been held due to busy holiday work loads since that time.

Primary function of PTEA is to assist the departments within their coverage area in training personnel in rules of conduct, investigation techniques and aid in bringing greater uniformity to po-

Tuesday and Wednesday of last week five Nyssa boys, ages 12 to 14 years, were charged with theft, burglary and/or vandalism by local authorities, according to Police Chief Bob Love. Five others were implicated but no charges are pending on them at press time.

Love said one of the boys was caught trying to get a purse from a car parked at Ray's Food Fair lot and when he was questioned he implicated others. When they were interrogated, they implicated still others.

Five of the boys either admitted their guilt or stolen goods in their possession was recovered. Two admitted burglarizing a house on North First street, three admitted thefts from garages, and others ranged from school supplies to toys, margarine, valentines and purses.

The vandalism was committed with air rifles used to destroy windows at a greenhouse, the sugar factory and car glass damage.

The five boys, who are believed guilty, will appear with their parents in city court Saturday to see if they shall be sent to the county juvenile court.

Dear Chief:

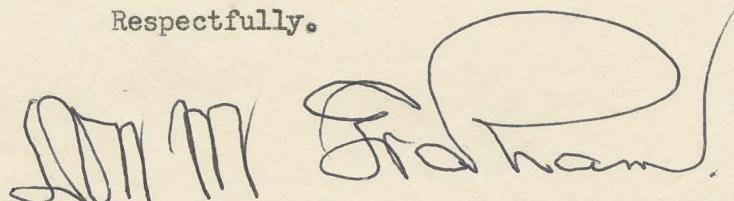

It gives me much pleasure to be able to write such a letter as this one, concerning a man whom I hold a very high regard for.

I have personally known Gene Hiner for the past two years, and can say that he is a good Police Officer in every respect, he has cooperated with this Court 100% in all matters brought before this Court by the City of Nyssa Police Department, many times in talking with him about certain cases, he has suggested and recommended to me matters that ordinarily would not be brought out in a court hearing, hence enabling me to arrive at a good and fair judgement.

Mr Hiner has served with the Nyssa City Police Department for 2 years, and during the past $1\frac{1}{2}$ years he has been Sgt of Patrolman, included in his duties being Record Officer, and Assistant Chief of Police, and I am proud to state, that the Nyssa City Police Department has a really good set of records and one of great value to law enforcement in this Valley.

Mr Hiner has had a total of $7\frac{1}{2}$ years of Police work, therefore, I know that he will be a credit to your Department, and a worthwhile Officer in every respect.

Dear Chief;

I would like to take this opportunity to pass this reccomendation to you on behalf of Gene Hiner, presently employed by this department in the capacity of Patrol Sergeant.

During Sgt. Hiners employment with this department he has shown a very high degree of results in obtaining any police objective. He is very conscientious, attitude and attention to duty are very good and he has always been willing to contribute any necessary long hours without complaint.

Gene's loss to this department will be felt greatly and to replace him will be hard. However, when a man such as Gene can better himself in obtaining a goal in law enforcement he should be encouraged to do so. Good men are very hard to come by and even harder to keep within the profession.

Gene came to this department January 24, 1961 and displayed his ability very well. On July 1st, 1961 he was appointed to the rank of Sergeant and has served as a sergeant since that time. He had the confident of his men and myself and could be relied on to take over the administering of the department in my absence very well.

The only thing I can say is to quote the old well worn proverb "My loss is your gain". Gene has a fine family and his addition to your fine city will be an added asset.

I remain

Respectively Yours,

Joe Friday Tells What Being a Cop Means

(EDITOR'S NOTE: In answer to numerous requests, the dialogue about "What Is a Cop?" delivered by Sgt. Joe Friday (Jack Webb) to a rookie policeman suspected of armed robbery on the NBC Television Network "Dragnet 1967" colorcast of Feb. 9, is herewith repeated. The text was written by Webb and the late Richard L. Breen, who died just a week before the show aired.)

IT'S AWKWARD having a policeman around the house. Friends drop in. A man with a badge answers the door. The temperature drops 20 degrees.

Throw a party and that badge gets in the way. All of a sudden there isn't a straight man in the crowd. Everybody's a comedian. "Don't drink too much," somebody says, "or the man with the badge will run you in." . . .

Or, "How is it goin', Dick Tracy? How many jaywalkers did you pinch today?" And there's always the one who wants to know how many apples you stole.

All at once you've lost your first name. You're a "cop," a "flatfoot," a "bull," a "dick," "John Law," you're "the fuzz," "the heat," . . . you're poison, you're trouble . . . you're bad news.

They call you everything, but never a policeman. It's not much of a life . . . unless you don't mind missing a Dodger game because the hotshot phone rings . . . unless you like working Saturdays, Sundays, holidays . . . at a job that doesn't pay overtime.

OH, THE PAY IS ADEQUATE. If you count your pennies, you can put your kid through college. But you'd better plan on seeing Europe on your television set.

Then there's your first night on the beat. When you try to arrest a drunken prostitute in a Main Street bar and she rips your new uniform to shreds. You'll buy another one . . . out of your own pocket.

You'll rub elbows with all the elite: pimps, addicts, thieves, bums, winos, girls who can't keep an address and

men who don't care. Liars, cheats, con men, the class of Skid Row.

And the heartbreak: underfed kids, beaten kids, molested kids, crying kids, homeless kids, hit-and-run kids, broken-arm kids, broken-leg kids, broken-head kids, sick kids, dying kids, dead kids.

The old people that nobody wants, the reliefers, the pensioners, the ones who walk the street cold and those who tried to keep warm and died in a three-dollar room with an unvented gas heater. You'll walk the beat and pick up the pieces.

DO YOU HAVE REAL adventure in your soul? You'd better have. You'll do time in a prow car. It'll be a thrill-a-minute when you get an "unknown trouble" call and hit a back yard at two in the morning, never knowing who you'll meet . . . a kid with a knife . . . a pill-head with a gun, or two ex-cons with nothing to lose.

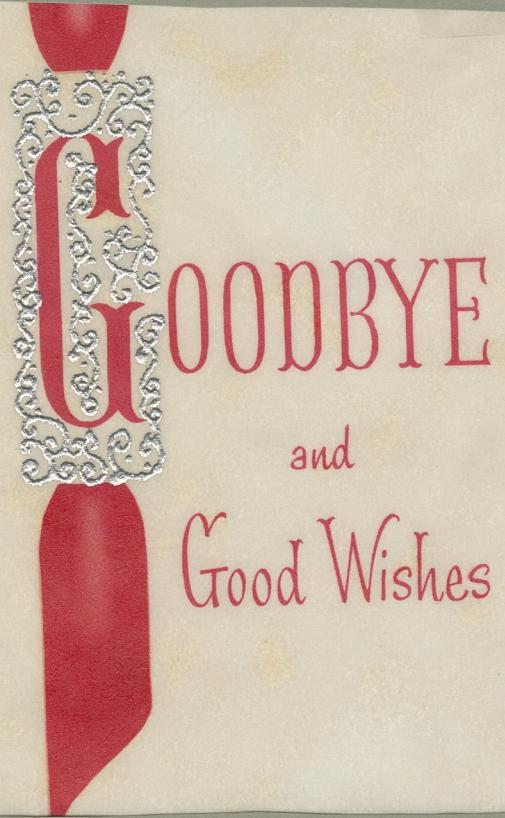

For every crime that's committed, you've got three million suspects to choose from. Most of the time you'll have few facts and a lot of hunches. You'll run down leads that dead-end on you.

You'll work all-night stakeouts that could last a week. You'll do leg work until you're sure you've talked to everybody in California . . . people who saw it happen, but really didn't. People who insist they did it, but really didn't. People who don't remember, those who try to forget. Those who tell the truth, those who lie.

There are over five thousand men in this city who know that being a policeman is an endless, glamorless, thankless job that must be done. I know it, too. And I'm damned glad to be one of them.

JAIL SENTENCES were meted out to two young Emmett men this week following recovery of 32 stolen batteries, and five juveniles were referred to juvenile court and state probation authorities in connection with the petit larceny. Thomas W. Hansford, 19, and Walter E. Thornton, 21, were sentenced to six months in city jail Monday. The juveniles implicated were two boys and three girls ranging in age from 14 to 17. Emmett officers Wesley Huffaker, left, and Gene Hiner were on a routine patrol Saturday night when they observed one of the group carrying a battery from the rear of the Coast-to-Coast store. A search of the car revealed 12 stolen batteries, and the officers' investigations led to 20 more at one of the homes.

NAMPA—Confession to eight burglaries and numerous gasoline thefts was made to Police Chief Gene Hiner Saturday by one of two juveniles arrested along with two 20-year-old youths earlier in the day in connection with a burglary at Kuna.

The 20-year-olds are James Spall, Boise, and Edwin McNeill, Mountain Home Air Force Base. The four youths fled in a borrowed car from the W. W. Cutler farm near Kuna, officers said, after Cutler found two of the youths in his home with a flashlight shortly before midnight Friday. One of the youths knocked Cutler down, officers added, but Cutler got up and fired two rounds from a .410 shotgun into the back of the fleeing car.

The youths wrecked the car about 1½ miles from the farm and were picked up after they came into the Nampa Police Station to report the accident.

Chief Hiner said a 17-year-old in the group admitted that he and the 16-year-old youth had burglarized the home of Melvin Ellis, 919 West First Street in Meridian, Friday night. Taken were a collection of foreign coins, an electric razor, several packages of cigarettes and a pair of gloves.

Chief Hiner added that the boy also told him all four had been involved in at least eight other burglaries recently in Ada County, and over a period of months had stolen about 400 gallons of gasoline in Ada and Canyon counties.

JUST A JOKE

Police Chief Gene Hiner isn't so sure about being used for child-training.

A woman on West First called Gene Monday and asked if he'd speak to her little boy about using rough language. "He likes policemen, so maybe he'll listen if you tell him."

So the first time Gene saw the youngster, he called him over and said, "What's this I hear about you using naughty words?"

"Where'd you hear it?" the kid said defensively. "Never mind," Gene said. "A little bird told me."

"A bird!" the kid gasped. "And here I've been feeding those damn little stinkers."
